PROJECT / Sky Dining 101

COMPANY / Andy Tong Interiors Ltd

Sky Dining 101 brand logo selected simple western tableware to outline logotype which looks like the shape of "101", clearly expressing the market positioning of the catering industry, also making it easy for customers to recognize and leave a deep impression, further guiding consumers to associate the best dining experience with 101. From the entrance to the 3rd floor and the 101st floor, the light box design is consistently decorated with the Monogram brand logo, creating a harmonious atmosphere. The 3rd floor's special light box uses hundreds of champagne glasses and crystal chandeliers as decoration, adding a touch of nobility. The entire design uses selected colors to create a unique high-altitude dining hall.

Andy Tong Interiors Ltd made use of some simple-styled western tableware to outline logotype which looks like the shape of "101", which is impressive and readily recognized by customers; the innovation design for Sky Dining 101 to enhance the entire dining environment. Customer will be able to fully appreciate the charming and luxurious atmosphere before enjoying their fantastic meals. To create a sense of harmony, the decoration light box from the entrance to 3/F and on 101/F are consistently decorated with the Monogram logo

SUCCESSFUL DESIGN AWARD 成功设计奖

PROJECT / 天环
Parc Central

COMPANY / Andy Tong Interiors Ltd

这个设计时尚独特的样板房占地2000平方尺，整个设计目的是将商场的优势，理念及价值观准确地传达给租户，令准租户感到时尚气氛的同时，又清晰商场的定位，四个场景的设计各具特色。

第一区 天河隧道：清楚了解四周环境之余，更感受到“天环”四通八达的优势。

第二区 放映室：此区刻意营造零售气氛及戏院的感觉。

第三区 模型及多媒体放映室：20-30尺 并270度的环回投影幕，将广州全景带到租户眼前。

第四区 销售廊：设计师营造轻松舒适的感觉更选用椭圆形梳化，使气氛丝毫不拘谨，访客犹如置身在酒店或咖啡馆其中。

Andy Tong Interiors Ltd created the unique and stylish showroom has an area of 2,000 square feet; this splendid and foremost future shopping mall in Guangzhou is proudly displayed before all visitors. Distinctive features of the four zones

Zone One - Galaxy tunnel: Walking inside the tunnel makes the visitors feel like standing at the transportation hub of the entire city.

Zone Two - Displaying area: A retailing atmosphere and a theater-like environment are especially created in this area.

Zone three - Model and Multi-media displaying area: With a 270o curved full screen, the entire view of Guangzhou city was astonishingly presented before all visitors, resulting in a stunning effect.
